## **WHY ACSIA PARTNERS?**

Specializing in Long-Term Care [LTC] Solutions, ACSIA Partners' insurance agents work with top insurance companies and have a wealth of knowledge about their plans, options and rates. They will educate you and customize a plan to specifically meet your needs and budget, compare it among today's top carriers, and identify tax advantages available to individuals or business owners. It costs nothing to work with our knowledgeable insurance agents to educate yourself on all the issues surrounding Long-Term Care Solutions, and their advocacy can be priceless at claim time.

Long-Term Care Insurance Solutions for individuals and employees include: Traditional Plans, Asset-Based Plans ("Hybrid"), Life Insurance with Long-Term Care or Critical Illness, Short-Term Care, Hospital Recovery, Accident & more.

## **ABOUT ACSIA PARTNERS**

ACSIA Partners LLC, the respected industry leader, is the nation's largest Long-Term Care insurance agency with over 50 years' experience.

Recommended in the Wall Street Journal and Kiplinger's, ACSIA Partners' Long-Term Care Outreach and Education Program (LTCOEP™) has separated itself from the ranks of typical insurance sales organizations by focusing on individual consumer, employer and employee education first.

The LTCOEP™ program is responsible for our long list of relationships with well-known national, regional and local employers, associations, community and religious organizations.

## **OUR MISSION**

We see a time when every individual will live fully and completely in dignity, comfort and independence without financial burden. To that end, our work, our passion and our purpose is to bring appropriate long-term care financial solutions to all those we meet.
